

Soap/disinfectant dispenser, 833/834/838/839/837/844

For soap or disinfectant
Manually operated
Capacity: 600 ml
2-year warranty

A range of wall mounted, manually operated dispensers for soap or disinfectant. A modern high-quality, solution allowing to change type of liquid by simply changing the cartridge/pump to dispense either soap or sanitiser in liquid, foam, or spray.

Application

Dispenser for use with spray, foam, or liquid soap/disinfectant. The product features a viewing window allowing maintenance staff to quickly monitor product levels and an easily removable tank for cleaning and liquid refill.
