For soap/disinfectant
2-year warranty

The LOKI touch-free dispensers belong to DAN DRYER's award-winning selection of commercial sanitary equipment. The product line is characterised by elegant lines and the 'I' on the front, which ties the products together and creates harmony when LOKI products are displayed side by side.

Application

The LOKI line has been created to complement surrounding interior architecture such as windows, doors, and wall surfaces. The elegant design and the floating look make the products easily integratable in most commercial and public washrooms.
