

Warm-air hand dryer Mini 270

IR sensor
Small and efficient
3-year warranty

DAN DRYER Mini is a slightly small, but nevertheless effective hand dryer. This model does not require much space and is therefore ideal for installation in public and commercial washrooms with low/medium traffic. The machine is reliable and almost maintenance free.

Application

Suitable for installation in low-traffic public and commercial washrooms.

References

Offices and administration, private homes, sports clubs, restaurants, public institutions and cultural centres.
