

SoapTap Foam Soap Dispenser 380

IR sensor
Deck-mounted
Stainless steel with satin finish
2-year warranty

DAN DRYER SoapTap soap dispenser for foam soap features a minimalist, modern design in stainless steel with satin finish. The soap dispenser is part of a complete product range, which also includes hand dryer and water faucet.

Application

DAN DRYER SoapTap foam soap dispenser with automatic sensor for touch-free activation is a hygienic solution for commercial washrooms. The elegant slim design complements any bathroom and gives a modern classy look. The DAN DRYER Tap range is an ideal build-in solution for construction projects and automatic hand wash stations.
