

DAN DRYER Toilet Roll Holder

1122/1125

For 4 standard rolls
Durable stainless steel
2-year warranty

DAN DRYER high capacity toilet paper dispenser for 4 standard rolls with automatic rotation system. Each roll is completely emptied before the next one automatically falls into place, which makes this model an economic solution. Designed to reduce the need for regular refills in high traffic areas.

Application

A very durable toilet paper dispenser, designed to cope with high levels of washroom traffic. Suitable for all types of public and commercial toilets.

References
