

WaterTap Water Faucet 390

IR sensor
Wall-mounted
Stainless Steel with satin finish
2-year warranty

DAN DRYER WaterTap features a minimalist, modern design in stainless steel with satin finish. The water faucet is part of a complete product line, which also includes hand dryer and soap dispenser. The product line is available for either deck or wall mounting.

Application

DAN DRYER WaterTap with automatic sensor for touch-less activation is a hygienic solution for commercial washrooms. It is easy to operate and simple to manage by all kinds of users, including children and people with reduced hand mobility. The DAN DRYER Tap range is an ideal build-in solution for construction projects and automatic hand wash stations.
