

DAN DRYER dispenser stand, floor

3180/3181/3182

Freestanding with drip tray
For touch-free disinfectant dispensers
2-year warranty

Mobile dispenser stand for LOKI, BJÖRK and Stainless Design touch-free hand disinfectant dispensers; perfect where soap and water are not available. Also suitable for Elegance dispenser, in which case the Elegance drip tray (not pictured) is included.

Application

DAN DRYER dispenser stands are ideal for lobbies, cafeterias, reception areas, and other high-traffic areas where a higher level of hand hygiene is required.

References

Public and commercial environments, e.g. offices, canteens, restaurants, buffets and day-cares.
