

DAN DRYER dispenser stand, table 3175/3176/3177

Freestanding with integrated drip tray
For touch-free disinfectant dispensers
2-year warranty

Mobile dispenser stands for LOKI, BJÖRK, and Stainless Design touch-free hand disinfectant dispensers; perfect where soap and water are unavailable.

Application

DAN DRYER dispenser stands are ideal for lobbies, cafeterias, reception areas, and other high-traffic areas where a higher level of hand hygiene is required. The table stand is with integrated drip tray in the baseplate.

References

Public and commercial environments, e.g. offices, canteens, restaurants, buffets, and day-cares.
