

# 3-speed hair dryer 610

Wall mounted  
2-year warranty

A durable and powerful hair dryer. It's simple, classic design and 3-speed settings make it ideal for installation in e.g. hotels and locker rooms.

## Application

The hair dryer switches on automatically when the handle is lifted off the unit and switches off again once it is replaced. The motor is encapsulated in an easy-to-clean housing made of self-extinguishing carbonate. The heating element is equipped with a thermostat and automatic thermal cut-out in case of overheating.

## References

Hotels, camp sites, and changing facilities in sports clubs and public swimming pools.

## Technical data
