

Stainless Design Toilet Roll Holder 285

Holds 4 standard rolls
Hygienic and durable
2-year warranty

Exclusive toilet roll holder with smart, vertically rotating plate with room for four standard-sized toilet rolls. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

Application

The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where low-maintenance is called for, and equipment must be able to withstand rough treatment.
