

# Stainless Design Dispenser 282

**Touch-free**  
**For liquid soap or disinfectant**  
**2-year warranty**

Elegant and reliable dispenser for liquid soap or disinfectant. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

## Application

The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where low-maintenance is called for, and equipment must be able to withstand rough treatment.
